

# Mini Electronic Driver 5CCT Select 24V

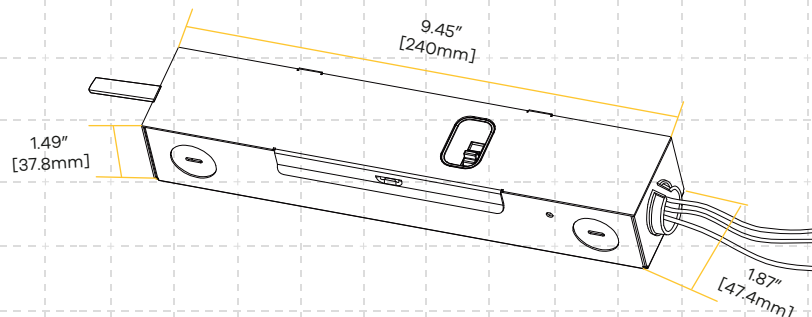

## Product Information

|               |                             |
|---------------|-----------------------------|
| Description   | 96W/24V/ECV/MNI DRIVER 5CCT |
| Input volts   | 120VAC                      |
| Input wattage | 96W                         |
| Output volts  | 24VDC                       |
| Minimum load  | 10%                         |
| Dimmable      | Triac / ELV                 |
| Warranty      | 5 Years                     |
| Environment   | Dry and damp location       |
| Height        | 1.49"                       |
| Length        | 9.45"                       |
| Width         | 1.87"                       |
| Pack          | 20                          |

G-97604
